8:15 am – 11:30 am  
**010: Preconference Workshop**

3 Contact Hours

**Pelvic Muscle Rehabilitation**

*Diane Newman, DNP, ANP-BC*

A review of the use of biofeedback-assisted pelvic floor muscle rehabilitation will be provided. Emphasis will be placed on the use of equipment for augmenting this treatment with a hands-on interactive session. Presentation of case studies including interpretation of biofeedback graphs will be presented. Lunch will be provided to paid registrants immediately following the session. Only full conference attendees can register for this workshop.

*(Workshop is limited to 25 participants)*

**Supported by an unrestricted educational grant from The Prometheus Group**

## Main Conference Schedule

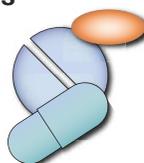

1:00 pm – 4:15 pm  
**100: Kick-off Session**  
3 Contact Hours — R

**Urine Trouble: Medications with Urologic Implications**

*Laura H. Waite, PharmD, BCPS, CLS, BC-ADM*

*Alice L. Scaletta, PharmD, BCACP*

This presentation will focus on the impact of medications on urologic clinical conditions, including drugs recently approved by the FDA, drugs with updated clinical evidence demonstrating urologic effects, and drugs with urologic concerns in specific patient populations.

4:30 pm – 6:30 pm  
**Exhibits Open/Reception**

# Main Conference Schedule

## Friday, April 6

---

7:00 am – 5:30 pm

### Registration Open

7:30 am – 8:30 am

### 101: Keynote Address

1 Contact Hour

#### Bladder Health – Why Now?

*Tamera Bavendam, MD, MS*

Dr. Bavendam will build the case for paradigm shift from treating bladder conditions to understanding bladder health across the life course of women as a necessary step to prevention of bladder conditions that manifest as lower urinary tract symptoms (LUTS). It is crucial that the stigma surrounding LUTS be lessened. The NIH funded, *Prevention of Lower Urinary Tract Symptoms (PLUS) Research Consortium* will be introduced.

8:30 am – 10:00 am

### Exhibits Open

10:05 am – 11:05 am

### 102: GENERAL SESSION

1 Contact Hour

#### Surgical Repair of Pelvic Organ Prolapse and the Mesh Controversy

*Heidi Harvie, MD, MBA, MSCE*

This session will address the complex issues connected with pelvic organ prolapse and explore the positive and negative impact of using surgical mesh as a method to repair and restore anatomy and prevent recurrence.

11:05 am – 12:05 pm

### Exhibits Open

12:05 pm – 1:20 pm

### Lunch (pending a sponsor or on your own)

1:20 pm – 2:35 pm

### 103: GENERAL SESSION

1.25 Contact Hours

#### Pelvic Organ Prolapse - Postoperative Management and Potential Complications

*Ariana Smith, MD; Lily Arya, MD; MS, Mary Y. Wang, DNP, CRNP; Kirstin Liu, CRNP*

This session will be held in a panel format with 4 speakers, (2 physicians and 2 nurse practitioners). The focus will be on the potential post-operative issues that can occur after surgery for pelvic organ prolapse, with special attention to the role of the advanced practice provider in management and patient education. Each speaker will give a brief presentation on a topic of interest (e.g., management of postoperative pain or constipation), and the remainder of the session will be opened up to the floor for discussion of specific questions.

2:40 pm – 3:55 pm

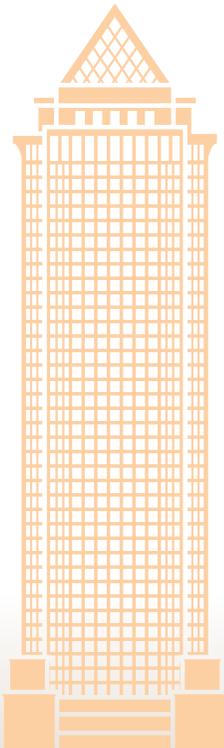

### 104: GENERAL SESSION

1.25 Contact Hours

#### Brain MRI in Women with Overactive Bladder (OAB)

*Ariana Smith, MD*

The central nervous system controls the ability of the bladder to properly store and empty urine. Evolving literature utilizing MRI technology, including functional MRI, has increased our understanding of the centers of brain control over bladder function.

4:00 pm – 5:15 pm

**105: GENERAL SESSION**

1.25 Contact Hours — R

**Interstitial Cystitis/Painful Bladder Syndrome Update: Evaluation, Diagnosis, and Treatment**

*Alis Panzera, DrNP, WHNP-BC, RN*

Interstitial cystitis is a condition that is often difficult to diagnose and is often mistaken for other diseases. This session will address how proper evaluation, diagnosis, and treatment can improve symptoms to provide a better quality of life for the patient.

8:00 pm – 9:00 pm

**106: Networking Session**

1 Contact Hour

**Challenging Urology Case Discussions**

*Facilitated by Donna Thompson, MSN, CRNP, FNP-AP, CCCN-AP*

This session is an informal gathering of your peers to review and discuss challenging urology case studies. Participants are encouraged to bring and present a challenging case from their own daily practice. Moderator guided discussion will follow, providing an opportunity to exchange different approaches and opinions. This session will bring together the wealth of knowledge in the urology advanced practice community, providing an invaluable opportunity for networking and professional growth.

**Saturday, April 7**

7:15 am – 12:45 pm

**Registration Open**

7:30 am – 8:00 am

**Continental Breakfast**

8:05 am – 9:20 am

**201: GENERAL SESSION**

1.25 Contact Hours

**Prostate Cancer**

*Leonard Gomella, MD, FACS*

Prostate cancer is a major health concern with screening and early detection areas of controversy. In addition, genetic testing for prostate cancer is becoming more widely available. This presentation will review the latest data on screening for prostate cancer and how to approach genetic testing for inherited prostate cancer risk.

9:25 am – 10:25 am

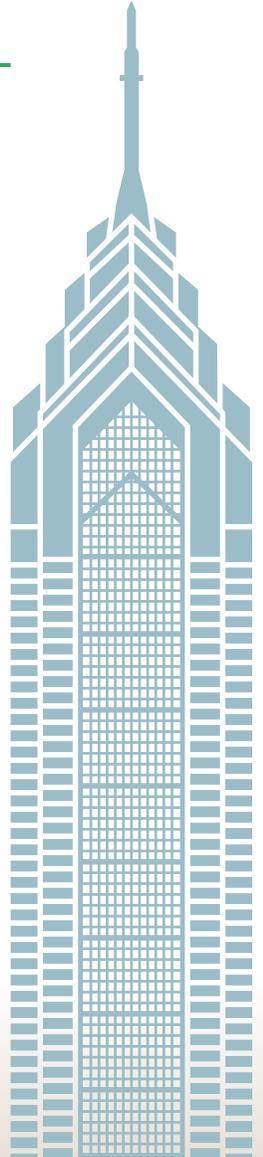

**202: GENERAL SESSION**

1 Contact Hour

**The Lifespan of the Neurogenic Bladder from Spina Bifida to Spinal Cord Injury**

*Joy C. Kerr, CPNP, CRNFA*

Explore the causes of neurogenic bladder from congenital to acquired etiology and discuss the importance of an accurate diagnosis through correct imaging and diagnostic studies to ensure appropriate therapy and successful treatment outcomes.

10:25 am – 10:40 am  
**Break**

10:40 am – 11:40 am  
**203: GENERAL SESSION**  
1 Contact Hour

**Transition to Adulthood: Preparation, Planning, Process, and Patient Engagement**  
*Symne Trachdenberg, MSW; Adam Greenberg, MSN, CRNP*

For young people transitioning from pediatric care to adult care, there can be challenges in taking charge and advocating for their own health. Discussion in this session will include the proper time for transition of care, the transfer of medical records to a new care provider, the need of care providers to communicate effectively during the process, and the support that is necessary to address existing health needs, particularly those of a chronic disease or disability nature.

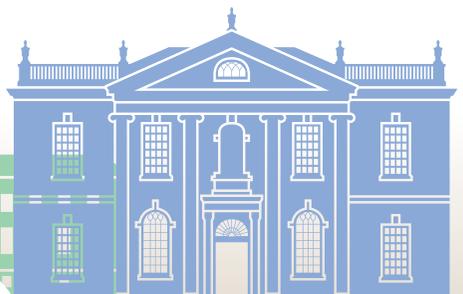

11:45 am – 12:45 pm  
**204: GENERAL SESSION**  
1 Contact Hour

**Primary and Secondary Incontinence Prevention**  
*Diane Newman, DNP, ANP-BC*

Bladder health is important for overall health and is influenced by internal and external factors. Primary prevention can help promote healthy bladder habits, and education on normal bladder function and early treatment seeking for bladder conditions can be part of secondary prevention. This lecture will present current research on the area of bladder health and the role of urology nurses in education.

2:00 pm – 6:00 pm  
**Certification Exam**

Preregistration is required. The certification application is available at [www.cbuna.org](http://www.cbuna.org) (click on the Certification tab) or call C-NET for details at 800-463-0786. All applications must be postmarked by February 10, 2018.

# General Information

## Transportation

---

- Sheraton Philadelphia Downtown is located a short 30-minute drive away from Philadelphia International Airport (PHL).
- Shuttle Service: Go Express
- Train: 30th Street Station is a short cab ride or a 20-minute walk away from the hotel.

## Hotel Information

---

The Sheraton Philadelphia Downtown has been designated as the headquarters hotel for the SUNA Advanced uroLogic: The Premier Conference for Advanced Practice Professionals. A block of rooms has been secured for attendees at the special rate of \$159 single/double. Rates are subject to applicable state and local taxes (currently at 15.5%). The special rate is available until Tuesday, March 6, 2018. Reservations received after this date will be accepted on a space and rate available basis.

To make your reservations, call (215) 448-2000 and refer to the SUNA or make your reservations online at [www.suna.org](http://www.suna.org). Check in time is 3:00 pm and check out time is 12:00 pm.

## Parking Options

---

- Self-parking is available for \$35 (plus tax) per day
- Valet parking is available for \$42 (plus tax) per day and includes full in and out privileges

## Continuing Nursing Education Credit

---

SUNA's Advanced uroLogic Conference will offer 14 contact hours. In addition, the Pre-conference Workshop 010 will offer 3 contact hours.

The Society of Urologic Nurses and Associates (SUNA) is accredited as a provider of continuing nursing education by the American Nurses' Credentialing Center's Commission on Accreditation

The SUNA accreditation is reciprocal in the states and specialty organizations that recognize the ANCC-COA accreditation process. SUNA is also a provider approved by the California Board of Registered Nursing, Provider Number CEP 5556. Accreditation and approved provider status of CE in nursing does not imply ANCC-COA approval or endorsement of any product, advertising, or educational content. SUNA urges all participants to be aware of the CE requirements for re-licensure in the states in which they hold a license.

## Pharmacology Credit

---

At least 3 hours of pharmacology credit will be awarded. Total number of approved credits is yet to be determined. NOTE: R indicates potential pharmacology credit.

# General Information

## Photo Release

---

SUNA occasionally uses photographs of SUNA convention participants in its newsletter, Web site, promotional materials, and in the *Urologic Nursing Journal*. By virtue of your attendance at the annual conference, you agree to usage of your likeness in such material.

## Sponsored Meals

---

Although we try to obtain sponsorship for the meals listed as "pending" in this brochure, it is not always possible. We regret that if sponsorship is not received, those meals will be on your own.

## Corporate – Sponsored Sessions

---

Some states have enacted strict compliance and disclosure requirements for pharmaceutical and medical device manufacturers and healthcare professionals. If your state does NOT permit sponsors to provide meals during educational sessions, you may attend the session, but you will not be permitted to partake of the meal.

## Online Library & Paperless Conference

---

### What Are the Benefits?

- Unlimited free online access to all approved sessions after attending the conference.
- “Virtually” attend sessions you missed on-site or revisit courses you found interesting.
- Never have to choose between concurrent sessions again!

Content will be available approximately 3 weeks after the conference, so you can take advantage of this additional learning experience at your convenience. (Additional CNE contact hours may be obtained for a separate fee.)

### Handouts Available Online

Approximately 2 weeks before the conference, you'll receive an email with instructions on how to download handouts in the SUNA Online Library. ([www.suna.org/library](http://www.suna.org/library))

### Paperless Online Evaluations and CNE Certificates

Simply complete the evaluation and print your CNE certificate at your convenience from home or work! Now you can focus on networking and enjoy the conference!
