Urologic Nursing 2010 Subject Index

- Abstracts**
88, 354
- Advanced Clinical Practice**
 Botulinum Toxin Type A for the Treatment of Urinary Tract Dysfunction in Neurological Disorders, 228
 The Essential Role of the Clinical Research Nurse (CRN)
- Bladder Cancer**
 Applicability of the FISH Test for Bladder Cancer, 218
 Getting Ready for Certification: Bladder Cancer, 246
- Bladder Scan**
 False Reading of Retained Urine from a Bladder Scan, 147
- Brachytherapy**
 High-Dose Rate Brachytherapy in Prostate Cancer Patients – A Study on Nausea and Vomiting, 195
- Case Study**
 False Reading of Retained Urine from a Bladder Scan, 147
- Complementary and Preventive Medicine**
 Under-Hyped and Over-Hyped Drug-Dietary Supplement Interactions and Issues, 85
- Continuing Nursing Education**
 Addressing and Managing Erectile Dysfunction after Prostatectomy for Prostate Cancer, 167
 Applicability of the FISH Test for Bladder Cancer, 218
 Concept Analysis of Health-Related Quality of Life in Nursing Home Residents with Urinary Incontinence, 112
 Demystifying Nocturia: Identifying the Cause and Tailoring the Treatment, 276
 Individual Variations in Drug Responses, 22
 New Therapeutic Strategies for Renal Cell Carcinoma, 40
 Overview of the Social Impact of Urinary Incontinence with a Focus on Turkish Women, 327
- Practical Review of Pharmacology Concepts, 15
 Update on the Pharmacologic Management of Overactive Bladder: The Present and the Future, 29
- Cultural Issues**
 The Effect of Culture on Urinary Incontinence; Do We Really Understand?, 318
 Family and Friend Interactions among African-American Men Deciding Whether or Not to Have a Prostate Cancer Screening, 189
 Fear of and Susceptibility to Prostate Cancer as Predictors of Prostate Cancer Screening among Haitian-American Men, 175
 The Fistula Crisis in Sub-Saharan Africa: An Ongoing Struggle in Education and Awareness, 341
 Incontinence Quality of Life among Korean-American Women, 130
 Overview of the Social Impact of Urinary Incontinence with a Focus on Turkish Women, 327
 Promotion of Urinary Continence Worldwide, 336
 The Fistula Crisis in Sub-Saharan Africa: An Ongoing Struggle in Education and Awareness, 341
- Cystoscopy**
 Getting Ready for Certification: Basic Cystoscopy Equipment and Supplies, 92
- Delirium**
 Incidence, Prevalence, and Under-Recognition of Delirium in Urology Patients, 235
- Editorial**
 Cognitive Impairment and Urinary Incontinence: Co-Morbid Conditions and Opportunities for Urologic Nurses, 109
 Controversies in Prostate Cancer Screening and Treatment, 165
 The Effect of Culture on Urinary Incontinence; Do We Really Understand?, 318
 The Last Editorial, 262
- Translating to the Latest Publication Manual of the APA, 11
 When Worlds Collide: Advocacy, 216
- Emergency Room Procedures**
 Using an Acuity-Adaptable Unit for Urological Services, 223
- Erectile Dysfunction**
 Addressing and Managing Erectile Dysfunction after Prostatectomy for Prostate Cancer, 167
 Impact of Penile Injections on Men with Erectile Dysfunction after Prostatectomy, 64
- Female Sexual Dysfunction Issues**
 Treatment Options for Female Sexual Arousal Disorder: Part II, 247
- Fistula**
 The Fistula Crisis in Sub-Saharan Africa: An Ongoing Struggle in Education and Awareness, 341
- General Clinical Practice**
 Female Stress Urinary Incontinence: Office-Based Urethral Bulking Agent Procedure, 297
 The Fistula Crisis in Sub-Saharan Africa: An Ongoing Struggle in Education and Awareness, 341
 Promotion of Urinary Continence Worldwide, 336
 Radical Nephrectomy with Inferior Vena Cava (IVC) Thrombectomy: Implications for Post-Operative Nursing Care, 347
 Using an Acuity-Adaptable Unit for Urological Services, 223
- Infectious Dis-EASE**
 Update on Global Climate Change, 81
- Issues**
 Obesity – America's Health Crisis, 242
- Medication Minute**
 Gelnique® (Oxybutynin Chloride) 10% Gel for Overactive Bladder
- Message from the Board**
 Local SUNA Chapters: Resources and Tools for Success, 161
 Nursing Education: CH versus CEU – Which Is Correct?, 9

The Value of Continuing Nursing Education, 213

Nausea and Vomiting

High-Dose Rate Brachytherapy in Prostate Cancer Patients – A Study on Nausea and Vomiting, 195

Nephrectomy

Radical Nephrectomy with Inferior Vena Cava (IVC) Thrombectomy: Implications for Post-Operative Nursing Care, 347

Neurological Disorders

Botulinum Toxin Type A for the Treatment of Urinary Tract Dysfunction in Neurological Disorders, 228

Nocturia

Demystifying Nocturia: Identifying the Cause and Tailoring the Treatment, 276

Nursing Home

Adding to the Evidence Base: Continence Care for Obese Nursing Home Residents, 149

Concept Analysis of Health-Related Quality of Life in Nursing Home Residents with Urinary Incontinence, 112

Continence Care of Obese Nursing Home Residents, 121

Obesity

Adding to the Evidence Base: Continence Care for Obese Nursing Home Residents, 149

Continence Care of Obese Nursing Home Residents, 121

Obesity – America's Health Crisis, 242

Overactive Bladder

Gelnique® (Oxybutynin Chloride) 10% Gel for Overactive Bladder

Update on the Pharmacologic Management of Overactive Bladder: The Present and the Future, 29

Pelvic Floor Muscles

The Effect of Pelvic Floor Re-Education on Comfort in Women Having Surgery for Stress Urinary Incontinence, 137

Penile Injections

Adding to the Evidence Base: Impact of Penile Injections on Men with Erectile Dysfunction after Prostatectomy, 78

Impact of Penile Injections on Men with Erectile Dysfunction after Prostatectomy, 64

Pharmacology

Gelnique® (Oxybutynin Chloride) 10% Gel for Overactive Bladder

Individual Variations in Drug Responses, 22

New Therapeutic Strategies for Renal Cell Carcinoma, 40

Practical Review of Pharmacology Concepts, 15

Update on the Pharmacologic Management of Overactive Bladder: The Present and the Future, 29

Pressure Ulcers

Identification of Pre-Operative and Intra-Operative Variables Predictive of Pressure Ulcer Development in Patients Undergoing Urologic Surgical Procedures, 289

Professional Enhancement

Getting Ready for Certification: Basic Cystoscopy Equipment and Supplies, 92

Getting Ready for Certification: Bladder Cancer, 246

Getting Ready for Certification: Renal Cell Carcinoma, 353

Prostate Cancer

Addressing and Managing Erectile Dysfunction after Prostatectomy for Prostate Cancer, 167

Family and Friend Interactions among African-American Men Deciding Whether or Not to Have a Prostate Cancer Screening, 189

Fear of and Susceptibility to Prostate Cancer as Predictors of Prostate Cancer Screening among Haitian-American Men, 175

Editorial: Controversies in Prostate Cancer Screening and Treatment, 165

High-Dose Rate Brachytherapy in Prostate Cancer Patients – A Study on Nausea and Vomiting, 195

Prostatectomy

Adding to the Evidence Base: Impact of Penile Injections on Men with Erectile Dysfunction after Prostatectomy, 78

Addressing and Managing Erectile Dysfunction after Prostatectomy for Prostate Cancer, 167

Impact of Penile Injections on Men with Erectile Dysfunction after Prostatectomy, 64

Renal Cell Carcinoma

Getting Ready for Certification: Renal Cell Carcinoma, 353

New Therapeutic Strategies for Renal Cell Carcinoma, 40

Radical Nephrectomy with Inferior Vena Cava (IVC) Thrombectomy: Implications for Post-Operative Nursing Care, 347

Research

Continence Care of Obese Nursing Home Residents, 121

The Effect of Pelvic Floor Re-Education on Comfort in Women Having Surgery for Stress Urinary Incontinence, 137

The Essential Role of the Clinical Research Nurse (CRN)

Family and Friend Interactions among African-American Men Deciding Whether or Not to Have a Prostate Cancer Screening, 189

Fear of and Susceptibility to Prostate Cancer as Predictors of Prostate Cancer Screening among Haitian-American Men, 175

High-Dose Rate Brachytherapy in

Prostate Cancer Patients – A Study on Nausea and Vomiting, 195

Impact of Penile Injections on Men with Erectile Dysfunction after Prostatectomy, 64

Incidence, Prevalence, and Under-Recognition of Delirium in Urology Patients, 235

Incontinence Quality of Life among Korean-American Women, 130

Identification of Pre-Operative and Intra-Operative Variables Predictive of Pressure

Ulcer Development in Patients Undergoing Urologic Surgical Procedures, 289

Translating Evidence into Clinical Practice

Adding to the Evidence Base: Continence Care for Obese Nursing Home Residents, 149

Adding to the Evidence Base: Impact of Penile Injections on Men with Erectile Dysfunction after Prostatectomy, 78

Urinary Continence

Continence Care of Obese Nursing Home Residents, 121

Promotion of Urinary Continence Worldwide, 336

Urinary Incontinence

Cognitive Impairment and Urinary Incontinence: Co-Morbid Conditions and Opportunities for Urologic Nurses, 109

Concept Analysis of Health-Related Quality of Life in Nursing Home Residents with Urinary Incontinence, 112

The Effect of Pelvic Floor Re-Education on Comfort in Women Having Surgery for Stress Urinary Incontinence, 137

The Effect of Culture on Urinary Incontinence; Do We Really Understand?, 318

Female Stress Urinary Incontinence: Office-Based Urethral Bulking Agent Procedure, 297

Incontinence Quality of Life among Korean-American Women, 130

Overview of the Social Impact of Urinary Incontinence with a Focus on Turkish Women, 327

Promotion of Urinary Continence Worldwide, 336

Urinary Tract Dysfunction

Botulinum Toxin Type A for the Treatment of Urinary Tract Dysfunction in Neurological Disorders, 228

Urodynamics

Traces: Making Sense of Urodynamics Testing, 267

Traces: Making Sense of Urodynamics Testing – Part 2: Uroflowmetry, 321

Uroflowmetry

Traces: Making Sense of Urodynamics Testing – Part 2: Uroflowmetry, 321
