## Urologic Nursing 2013 Subject Index

### Abstracts

- Active Training and Surveillance: 2 Good Friends to Reduce Urinary Catheterization Rate, 148
- Cancer Diagnosis after Living Kidney Donation: Linking U.S. Registry Data and Administrative Claims, 148
- Cultural Competence Training for Clinical Staff; Measuring the Effect of a One-Hour Class on Cultural Competence, 310
- Impact of Health Information-Seeking Behavior and Personal Factors on Preferred Role in Treatment Decision Making in Men with Newly Diagnosed Prostate Cancer, 148
- Indications, Contraindications and Complications of Mesh in Surgical Treatment of Pelvic Organ Prolapse, 310
- National Study on Faculty-to-Faculty Incivility: Strategies to Foster Collegiality and Civility, 310
- Risk Factors Associated with Incorrect Surgical Counts, 148
- Urinary Bladder Stones in Women, 310

### Advanced Practice Nursing

- Case Study: Transitional Care For a Patient with Benign Prostatic Hyperplasia and Recurrent Urinary Tract Infections, 177
- Disarming the Patient Through Therapeutic Communication, 110
- Schistosomiasis, 163
- 'We Did the Best We Could' – The United States Army Nurses of Ie Shima, 79

### Affordable Care Act

- The Affordable Care Act: Can We All Achieve Presidential Health?, 201
- Obesity and Type 2 Diabetes: Epidemics that Now Require a Population Health Approach, 216

### Alternative Therapies

- The Effectiveness of Cranberry Products to Reduce Urinary Tract Infections in Females: A Literature Review, 38

- Urologic Cancer Risks for Veterans Exposed to Agent Orange, 87
- Use and Effectiveness of Complementary Therapies among Women with Interstitial Cystitis, 306

### Antibiotics

- The Effectiveness of Cranberry Products to Reduce Urinary Tract Infections in Females: A Literature Review, 38
- Including Cather-Associated Urinary Tract Infections in the 2008 CMS Payment Policy: A Qualitative Analysis, 15
- A Unique Complication of Urethral Catheterization: Pubic Hair Associated with Struvite Bladder Calculi, 233
- Urine Specimen Collection: How a Multidisciplinary Team Improved Outcomes Using Best Practices, 249

### Biomarkers

- The Role of Biomarkers In the Detection and Treatment of Prostate Cancer, 161

### Bladder

- Beverage Preferences of Your Bladder: Is it as Easy as Coffee, Tea, or an Alcoholic Beverage?, 46
- Male Sling Procedures for Stress Urinary Incontinence, 9
- Schistosomiasis, 163
- Successful Intermittent Self-Catheterization Teaching: One Nurse's Strategy of How and What to Teach, 113
- Translating an Evidence-Based Algorithm to Decrease Early Post-Operative Urinary Retention after Urogynecologic Surgery, 24
- A Unique Complication of Urethral Catheterization: Pubic Hair Associated with Struvite Bladder Calculi, 233
- Urinary Bladder Stones in Women, 310
- Urologic Cancer Risks for Veterans Exposed to Agent Orange, 87
- Use and Effectiveness of Complementary Therapies among Women with Interstitial Cystitis, 306

- Validation of the Urostomy Education Scale: The European Experience, 219

### Cancer

- Adding to the Evidence Base: Effects of an Online Support Group for Prostate Cancer Survivors: A Randomized Trial, 134
- Beverage Preferences of Your Bladder: Is it as Easy as Coffee, Tea, or an Alcoholic Beverage?, 46
- Cancer Diagnosis after Living Kidney Donation: Linking U.S. Registry Data and Administrative Claims, 148
- Comparison of Tolerability and Adverse Events Following Treatment with Two GnRH Agonists in Patients with Advanced Prostate Cancer, 236
- Effects of an Online Support Group For Prostate Cancer Survivors: A Randomized Trial, 123
- Effects of Urinary Catheter Education for Patients Undergoing Prostatectomy, 289
- Impact of Health Information-Seeking Behavior and Personal Factors on Preferred Role in Treatment Decision Making in Men with Newly Diagnosed Prostate Cancer, 148
- Obesity and Type 2 Diabetes: Epidemics that Now Require a Population Health Approach, 216
- A One-Day Couple Group Intervention to Enhance Sexual Recovery for Surgically Treated Men with Prostate Cancer and Their Partners: A Pilot Study, 140
- The Role of Biomarkers In the Detection and Treatment of Prostate Cancer, 161
- Schistosomiasis, 163
- Survivorship Health Information Counseling for Patients with Prostate Cancer, 273
- Treatment Decision Making in Men with Newly Diagnosed Prostate Cancer, 148
- Urologic Cancer Risks for Veterans Exposed to Agent Orange, 87

Validation of the Urostomy Education Scale: The European Experience, 219

### Care Coordination

The Ability of Military Health Systems Application to Coordinate Combat Casualty Care, 73

Case Study: Transitional Care For a Patient with Benign Prostatic Hyperplasia and Recurrent Urinary Tract Infections, 177

### Case Study

The Ability of Military Health Systems Application to Coordinate Combat Casualty Care, 73

Case Study: Transitional Care For a Patient with Benign Prostatic Hyperplasia and Recurrent Urinary Tract Infections, 177

A Demonstration of Clinical Reasoning Through a Case of Scrotal Infection, 33

A Hard Mass Discovered in the Corpus Spongiosum after Difficult Urethral Catheterization: Two Case Reports, 183

Schistosomiasis, 163

A Unique Complication of Urethral Catheterization: Pubic Hair Associated with Struvite Bladder Calculi, 233

### Catheters/Catheterization

Active Training and Surveillance: 2 Good Friends to Reduce Urinary Catheterization Rate, 148

Cancer Diagnosis after Living Kidney Donation: Linking U.S. Registry Data and Administrative Claims, 148

Effect of Weight on Indwelling Catheter Use among Long-Term Care Facility Residents, 194

The Effectiveness of Cranberry Products to Reduce Urinary Tract Infections in Females: A Literature Review, 38

Effects of Urinary Catheter Education for Patients Undergoing Prostatectomy, 289

Getting the Intermittent Catheter the Patient Needs: Considerations In Coding, Coverage, and Documentation, 119

A Hard Mass Discovered in the Corpus Spongiosum after Difficult Urethral Catheterization: Two Case Reports, 183

Including Cather-Associated Urinary Tract Infections in the 2008 CMS Payment Policy: A Qualitative Analysis, 15

Male Sling Procedures for Stress Urinary Incontinence, 9

Successful Intermittent Self-Catheterization Teaching: One Nurse's Strategy of How and What to Teach, 113

Translating an Evidence-Based Algorithm to Decrease Early Post-Operative Urinary Retention after Urogynecologic Surgery, 24

A Unique Complication of Urethral Catheterization: Pubic Hair Associated with Struvite Bladder Calculi, 233

Urine Specimen Collection: How a Multidisciplinary Team Improved

Outcomes Using Best Practices, 249

### Clinical Reasoning

A Demonstration of Clinical Reasoning Through a Case of Scrotal Infection, 33

### Communication

Accessing and Evaluating Urologic Health Information: Differences By Race/Ethnicity and Gender, 282

Communication – Making the Human Connection, 265

Disarming the Patient Through Therapeutic Communication, 110

Obesity and Type 2 Diabetes: Epidemics that Now Require a Population Health Approach, 216

Teach-Back for Quality Education And Patient Safety, 267

### Continuing Nursing Education

Case Study: Transitional Care For a Patient with Benign Prostatic Hyperplasia and Recurrent Urinary Tract Infections, 177

Male Sling Procedures for Stress Urinary Incontinence, 9

Military Women's Urinary Patterns, Practices, and Complications in Deployment Settings, 61

Schistosomiasis, 163

Stigma and Microaggressions Experienced by Older Women with Urinary Incontinence: A Literature Review, 299

Successful Intermittent Self-Catheterization Teaching: One Nurse's Strategy of How and What to Teach, 113

Teach-Back for Quality Education And Patient Safety, 267

Urine Specimen Collection: How a Multidisciplinary Team Improved Outcomes Using Best Practices, 249

Validation of the Urostomy Education Scale: The European Experience, 219

### Cystoscopy

A Randomized Trial of 2% Lidocaine Gel Versus Plain Lubricating Gel for Minimizing Pain in Men Undergoing Flexible Cystoscopy, 187

### Dehydration

Military Women's Urinary Patterns, Practices, and Complications in Deployment Settings, 61

### Dermatology/Skin

Effect of Weight on Indwelling Catheter Use among Long-Term Care Facility Residents, 194

Validation of the Urostomy Education Scale: The European Experience, 219

### Diabetes

Obesity and Type 2 Diabetes: Epidemics that Now Require a Population Health Approach, 216

### Editorial

Communication – Making the Human Connection, 265

Disarming the Patient Through Therapeutic Communication, 110

Men's Health in Urology: Disparity or Opportunity?, 6

Military Service Through the Eyes of This Nurse, 58

Obesity and Type 2 Diabetes: Epidemics that Now Require a Population Health Approach, 216

The Role of Biomarkers In the Detection and Treatment of Prostate Cancer, 161

### Electronic Health Record

The Ability of Military Health Systems Application to Coordinate Combat Casualty Care, 73

### Erectile Dysfunction

Men's Health in Urology: Disparity or Opportunity?, 6

A One-Day Couple Group Intervention to Enhance Sexual Recovery for Surgically Treated Men with Prostate Cancer and Their Partners: A Pilot Study, 140

Survivorship Health Information Counseling for Patients with Prostate Cancer, 273

### Evidence-Based Practice (EBP)

A Demonstration of Clinical Reasoning Through a Case of Scrotal Infection, 33

Indications, Contraindications and Complications of Mesh in Surgical Treatment of Pelvic Organ Prolapse, 310

Survivorship Health Information Counseling for Patients with Prostate Cancer, 273

Teach-Back for Quality Education And Patient Safety, 267

Translating an Evidence-Based Algorithm to Decrease Early Post-Operative Urinary Retention after Urogynecologic Surgery, 24

Urine Specimen Collection: How a Multidisciplinary Team Improved Outcomes Using Best Practices, 249

### General Clinical Practice

The Ability of Military Health Systems Application to Coordinate Combat Casualty Care, 73

The Bedside Assistant in Robotic Surgery – Keys to Success, 29

Getting the Intermittent Catheter the Patient Needs: Considerations In Coding, Coverage, and Documentation, 119

Life as a Military Spouse, 97

Urologic Cancer Risks for Veterans

Exposed to Agent Orange, 87

Veterans' Stories: What They May Have to Tell Us – A Personal Reflection, 92

### Geriatrics

Case Study: Transitional Care For a Patient with Benign Prostatic Hyperplasia and Recurrent Urinary Tract Infections, 177

Effect of Weight on Indwelling Catheter Use among Long-Term Care Facility

Residents, 194

Stigma and Microaggressions Experienced by Older Women with Urinary Incontinence: A Literature Review, 299

**Historical Perspective**

The Affordable Care Act: Can We All Achieve Presidential Health?, 201

Veterans' Stories: What They May Have to Tell Us – A Personal Reflection, 92

'We Did the Best We Could' – The United States Army Nurses of Ie Shima, 79

**Lateral Violence**

National Study on Faculty-to-Faculty Incivility: Strategies to Foster Collegiality and Civility, 310

**Infection**

Beverage Preferences of Your Bladder: Is it as Easy as Coffee, Tea, or an Alcoholic Beverage?, 46

Cancer Diagnosis after Living Kidney Donation: Linking U.S. Registry Data and Administrative Claims, 148

Case Study: Transitional Care For a Patient with Benign Prostatic Hyperplasia and Recurrent Urinary Tract Infections, 177

A Demonstration of Clinical Reasoning Through a Case of Scrotal Infection, 33

The Effectiveness of Cranberry Products to Reduce Urinary Tract Infections in Females: A Literature Review, 38

Including Cather-Associated Urinary Tract Infections in the 2008 CMS Payment Policy: A Qualitative Analysis, 15

Male Sling Procedures for Stress Urinary Incontinence, 9

Military Women's Urinary Patterns, Practices, and Complications in Deployment Settings, 61

Obesity and Type 2 Diabetes: Epidemics that Now Require a Population Health Approach, 216

Schistosomiasis, 163

A Unique Complication of Urethral Catheterization: Pubic Hair Associated with Struvite Bladder Calculi, 233

Urinary Bladder Stones in Women, 310

Urine Specimen Collection: How a Multidisciplinary Team Improved Outcomes Using Best Practices, 249

**Issues**

The Affordable Care Act: Can We All Achieve Presidential Health?, 201

Beverage Preferences of Your Bladder: Is it as Easy as Coffee, Tea, or an Alcoholic Beverage?, 46

**Kidneys**

Cancer Diagnosis after Living Kidney Donation: Linking U.S. Registry Data and Administrative Claims, 148

Obesity and Type 2 Diabetes: Epidemics that Now Require a Population Health Approach, 216

Schistosomiasis, 163

A Unique Complication of Urethral Catheterization: Pubic Hair Associated with Struvite Bladder Calculi, 233

Urologic Cancer Risks for Veterans Exposed to Agent Orange, 87

**Letters to the Editor**  
257

**Long-Term Care Facility**

Effect of Weight on Indwelling Catheter Use among Long-Term Care Facility Residents, 194

**Medicare**

Communication – Making the Human Connection, 265

Getting the Intermittent Catheter the Patient Needs: Considerations In Coding, Coverage, and Documentation, 119

Including Cather-Associated Urinary Tract Infections in the 2008 CMS Payment Policy: A Qualitative Analysis, 15

**Men's Health**

Adding to the Evidence Base: Effects of an Online Support Group for Prostate Cancer Survivors: A Randomized Trial, 134

Cancer Diagnosis after Living Kidney Donation: Linking U.S. Registry Data and Administrative Claims, 148

Case Study: Transitional Care For a Patient with Benign Prostatic Hyperplasia and Recurrent Urinary Tract Infections, 177

Comparison of Tolerability and Adverse Events Following Treatment with Two GnRH Agonists in Patients with Advanced Prostate Cancer, 236

A Demonstration of Clinical Reasoning Through a Case of Scrotal Infection, 33

Effects of an Online Support Group For Prostate Cancer Survivors: A Randomized Trial, 123

Effects of Urinary Catheter Education for Patients Undergoing Prostatectomy, 289

A Hard Mass Discovered in the Corpus Spongiosum after Difficult Urethral Catheterization: Two Case Reports, 183

Impact of Health Information-Seeking Behavior and Personal Factors on Preferred Role in Treatment Decision Making in Men with Newly Diagnosed Prostate Cancer, 148

Male Sling Procedures for Stress Urinary Incontinence, 9

Men's Health in Urology: Disparity or Opportunity?, 6

A One-Day Couple Group Intervention to Enhance Sexual Recovery for Surgically Treated Men with Prostate Cancer and Their Partners: A Pilot Study, 140

A Randomized Trial of 2% Lidocaine Gel Versus Plain Lubricating Gel for Minimizing Pain in Men Undergoing Flexible Cystoscopy, 187

The Role of Biomarkers In the Detection and Treatment of Prostate Cancer, 161

Survivorship Health Information Counseling for Patients with Prostate

Cancer, 273

Urologic Cancer Risks for Veterans Exposed to Agent Orange, 87

**Mental Health**

The Affordable Care Act: Can We All Achieve Presidential Health?, 201

Case Study: Transitional Care For a Patient with Benign Prostatic Hyperplasia and Recurrent Urinary Tract Infections, 177

Effects of an Online Support Group For Prostate Cancer Survivors: A Randomized Trial, 123

Effects of Urinary Catheter Education for Patients Undergoing Prostatectomy, 289

Life as a Military Spouse, 97

A One-Day Couple Group Intervention to Enhance Sexual Recovery for Surgically Treated Men with Prostate Cancer and Their Partners: A Pilot Study, 140

Stigma and Microaggressions Experienced by Older Women with Urinary Incontinence: A Literature Review, 299

Survivorship Health Information Counseling for Patients with Prostate Cancer, 273

Veterans' Stories: What They May Have to Tell Us – A Personal Reflection, 92

**Military/Veteran Topics**

The Ability of Military Health Systems Application to Coordinate Combat Casualty Care, 73

Army Nurse, 91

Life as a Military Spouse, 97

Military Service Through the Eyes of This Nurse, 58

Military Women's Urinary Patterns, Practices, and Complications in Deployment Settings, 61

Urologic Cancer Risks for Veterans Exposed to Agent Orange, 87

Veterans' Stories: What They May Have to Tell Us – A Personal Reflection, 92

'We Did the Best We Could' – The United States Army Nurses of Ie Shima, 79

**Nursing Education**

Cultural Competence Training for Clinical Staff; Measuring the Effect of a One-Hour Class on Cultural Competence, 310

Translating an Evidence-Based Algorithm to Decrease Early Post-Operative Urinary Retention after Urogynecologic Surgery, 24

**Obesity**

Effect of Weight on Indwelling Catheter Use among Long-Term Care Facility Residents, 194

Obesity and Type 2 Diabetes: Epidemics that Now Require a Population Health Approach, 216

**Pain**

Comparison of Tolerability and Adverse Events Following Treatment with Two GnRH Agonists in Patients with Advanced Prostate Cancer, 236

- A Demonstration of Clinical Reasoning Through a Case of Scrotal Infection, 33
- A Randomized Trial of 2% Lidocaine Gel Versus Plain Lubricating Gel for Minimizing Pain in Men Undergoing Flexible Cystoscopy, 187
- Use and Effectiveness of Complementary Therapies among Women with Interstitial Cystitis, 306

#### **Patient-Centered Care**

- A Demonstration of Clinical Reasoning Through a Case of Scrotal Infection, 33
- Disarming the Patient Through Therapeutic Communication, 110

#### **Patient Education**

- Accessing and Evaluating Urologic Health Information: Differences By Race/Ethnicity and Gender, 282
- Active Training and Surveillance: 2 Good Friends to Reduce Urinary Catheterization Rate, 148
- Adding to the Evidence Base: Validation of the Urostomy Education Scale: The European Experience, 230
- Case Study: Transitional Care For a Patient with Benign Prostatic Hyperplasia and Recurrent Urinary Tract Infections, 177
- Characteristics of Women with Continued Use of Vaginal Pessaries, 171
- A Demonstration of Clinical Reasoning Through a Case of Scrotal Infection, 33
- Effects of Urinary Catheter Education for Patients Undergoing Prostatectomy, 289
- Obesity and Type 2 Diabetes: Epidemics that Now Require a Population Health Approach, 216
- Stigma and Microaggressions Experienced by Older Women with Urinary Incontinence: A Literature Review, 299
- Successful Intermittent Self-Catheterization Teaching: One Nurse's Strategy of How and What to Teach, 113
- Survivorship Health Information Counseling for Patients with Prostate Cancer, 273
- Teach-Back for Quality Education And Patient Safety, 267
- A Unique Complication of Urethral Catheterization: Pubic Hair Associated with Struvite Bladder Calculi, 233
- Validation of the Urostomy Education Scale: The European Experience, 219

#### **Pelvic Organ Prolapse**

- Characteristics of Women with Continued Use of Vaginal Pessaries, 171
- Indications, Contraindications and Complications of Mesh in Surgical Treatment of Pelvic Organ Prolapse, 310

#### **Pessaries**

- Characteristics of Women with Continued

- Use of Vaginal Pessaries, 171

#### **Postoperative Complications**

- The Bedside Assistant in Robotic Surgery – Keys to Success, 29
- Indications, Contraindications and Complications of Mesh in Surgical Treatment of Pelvic Organ Prolapse, 310
- Male Sling Procedures for Stress Urinary Incontinence, 9
- Translating an Evidence-Based Algorithm to Decrease Early Post-Operative Urinary Retention after Urogynecologic Surgery, 24

#### **Prostate**

- Adding to the Evidence Base: Effects of an Online Support Group for Prostate Cancer Survivors: A Randomized Trial, 134
- Cancer Diagnosis after Living Kidney Donation: Linking U.S. Registry Data and Administrative Claims, 148
- Case Study: Transitional Care For a Patient with Benign Prostatic Hyperplasia and Recurrent Urinary Tract Infections, 177
- Comparison of Tolerability and Adverse Events Following Treatment with Two GnRH Agonists in Patients with Advanced Prostate Cancer, 236
- Effects of an Online Support Group For Prostate Cancer Survivors: A Randomized Trial, 123
- Effects of Urinary Catheter Education for Patients Undergoing Prostatectomy, 289
- Impact of Health Information-Seeking Behavior and Personal Factors on Preferred Role in Treatment Decision Making in Men with Newly Diagnosed Prostate Cancer, 148
- Male Sling Procedures for Stress Urinary Incontinence, 9
- Obesity and Type 2 Diabetes: Epidemics that Now Require a Population Health Approach, 216
- A One-Day Couple Group Intervention to Enhance Sexual Recovery for Surgically Treated Men with Prostate Cancer and Their Partners: A Pilot Study, 140
- The Role of Biomarkers In the Detection and Treatment of Prostate Cancer, 161
- Survivorship Health Information Counseling for Patients with Prostate Cancer, 273
- Urologic Cancer Risks for Veterans Exposed to Agent Orange, 87

#### **Radiation**

- The Risk of Radiation Exposure to Assisting Staff in Urological Procedures: A Literature Review, 136
- Survivorship Health Information Counseling for Patients with Prostate Cancer, 273

#### **Readers' Forum**

- Army Nurse, 91

#### **Reimbursement**

- Communication – Making the Human Connection, 265
- Getting the Intermittent Catheter The Patient Needs: Considerations In Coding, Coverage, and Documentation, 119
- Including Cather-Associated Urinary Tract Infections in the 2008 CMS Payment Policy: A Qualitative Analysis, 15

#### **Research**

- Accessing and Evaluating Urologic Health Information: Differences By Race/Ethnicity and Gender, 282
- Adding to the Evidence Base: Validation of the Urostomy Education Scale: The European Experience, 230
- Characteristics of Women with Continued Use of Vaginal Pessaries, 171
- Effect of Weight on Indwelling Catheter Use among Long-Term Care Facility Residents, 194
- Effects of an Online Support Group For Prostate Cancer Survivors: A Randomized Trial, 123
- Effects of Urinary Catheter Education for Patients Undergoing Prostatectomy, 289
- Including Cather-Associated Urinary Tract Infections in the 2008 CMS Payment Policy: A Qualitative Analysis, 15
- A One-Day Couple Group Intervention to Enhance Sexual Recovery for Surgically Treated Men with Prostate Cancer and Their Partners: A Pilot Study, 140
- A Randomized Trial of 2% Lidocaine Gel Versus Plain Lubricating Gel for Minimizing Pain in Men Undergoing Flexible Cystoscopy, 187
- Schistosomiasis, 163
- Translating an Evidence-Based Algorithm to Decrease Early Post-Operative Urinary Retention after Urogynecologic Surgery, 24
- Use and Effectiveness of Complementary Therapies among Women with Interstitial Cystitis, 306
- Validation of the Urostomy Education Scale: The European Experience, 219

#### **Robotic Surgery**

- The Bedside Assistant in Robotic Surgery – Keys to Success, 29

#### **Scrotum**

- A Demonstration of Clinical Reasoning Through a Case of Scrotal Infection, 33

#### **Sexually Transmitted Disease**

- A Demonstration of Clinical Reasoning Through a Case of Scrotal Infection, 33

#### **Sexual Issues**

- Men's Health in Urology: Disparity or Opportunity?, 6
- A One-Day Couple Group Intervention to Enhance Sexual Recovery for Surgically Treated Men with Prostate

- Cancer and Their Partners: A Pilot Study, 140
- Stigma and Microaggressions Experienced by Older Women with Urinary Incontinence: A Literature Review, 299
- Survivorship Health Information Counseling for Patients with Prostate Cancer, 273
- Sponsored Educational Supplement**
- Comparison of Tolerability and Adverse Events Following Treatment with Two GnRH Agonists in Patients with Advanced Prostate Cancer, 236
- Support Groups**
- Adding to the Evidence Base: Effects of an Online Support Group for Prostate Cancer Survivors: A Randomized Trial, 134
