Urologic Nursing 2014 Subject Index

Abstracts

- Developing Core Outcome Sets for Clinical Trials: Issues to Consider, 203
- Development and Psychometric Validation of the Intermittent Self-Catheterization Questionnaire, 47
- Loneliness and Quality of Life in Chronically Ill Rural Older Adults, 47
- Long-Term Urinary Catheter Users' Self-Care Practices and Problems, 47
- Outcome of Sacral Nerve Stimulation for Fecal Incontinence at Five Years, 203
- The Patient Perception of the Nurse-Patient Relationship When Nurses Utilize an Electronic Health Record within a Hospital Setting, 203
- Risk Factors for Urinary, Fecal, or Dual Incontinence in the Nurses' Health Study, 47
- Self-Management of Urinary and Fecal Incontinence, 100
- Systematic Review of Internet Patient Information on Colorectal Cancer Surgery, 100
- Three Structures for a Healthy Work Environment, 203
- Train-the-Trainer Intervention to Increase Nursing Teamwork and Decrease Missed Nursing Care in Acute Care Patient Units, 100
- Use of Urostomy Bags in the Management of Perioperative Urine Leakage after Radical Cystectomy, 100

Advanced Clinical Practice

- Decreasing Suprapubic Tube-Related Injuries: Results of Case Series and Comprehensive Literature Review, 9
- Female Stress Urinary Incontinence: An Evidence-Based, Case Study Approach, 143
- Monolateral Purple Urine Bag Syndrome in a Patient with Bilateral Nephrostomy Tubes, 135

- A Nurse Practitioner's Experience in a Post-Graduate Nurse Practitioner Urology Fellowship, 133
- Onabotulinum Toxin A: A Therapeutic Option for Refractory Neurogenic Detrusor Overactivity and Idiopathic Overactive Bladder, 165
- Pelvic Floor Muscle Rehabilitation Using Biofeedback, 193
- Reasons for Not Seeking Care for Urinary Incontinence in Older Community-Dwelling Women: A Contemporary Review, 63

Biofeedback

- Adding to the Evidence Base: Streamlining Biofeedback for Urge Incontinence, 27
- Pelvic Floor Muscle Rehabilitation Using Biofeedback, 193
- Pre-Operative Pelvic Floor Muscle Training – A Review, 230
- Streamlining Biofeedback for Urge Incontinence, 19

Bladder

- Adding to the Evidence Base: Streamlining Biofeedback for Urge Incontinence, 27
- A Case Report and Review of Transitional Cell Carcinoma in Children, 75
- A Comparison of Affected Individual and Support Person Responses on the Impact of Urinary Incontinence on Quality of Life, 291
- The Effect of Intensive Education on Urinary Incontinence Following Radical Prostatectomy: A Randomized Controlled Trial, 246
- Evaluation of the Effect of Cranberry Juice on Symptoms Associated with a Urinary Tract Infection, 121
- An Evidence-Based Approach to the Prevention of Catheter-Associated

- Urinary Tract Infections, 238
- Female Stress Urinary Incontinence: An Evidence-Based, Case Study Approach, 143
- Foley Drainage Tubing Configuration Affects Bladder Pressure: A Bench Model Study, 33
- Initial Experience of Intravesical Gemcitabine for Patients with High-Risk Superficial Transitional Cell Carcinoma of the Bladder Following BCG Failure, 95
- Onabotulinum Toxin A: A Therapeutic Option for Refractory Neurogenic Detrusor Overactivity and Idiopathic Overactive Bladder, 165
- Streamlining Biofeedback for Urge Incontinence, 19
- Two Sessions of Behavioral Urotherapy for Bowel and Bladder Dysfunction: Does It Get Any Better?, 312

Book Review

- Prostate Cancer as a 'Couple's Disease,' 152

Bowels

- Decreasing Suprapubic Tube-Related Injuries: Results of Case Series and Comprehensive Literature Review, 9
- The Effect of Intensive Education on Urinary Incontinence Following Radical Prostatectomy: A Randomized Controlled Trial, 246
- Two Sessions of Behavioral Urotherapy for Bowel and Bladder Dysfunction: Does It Get Any Better?, 312

Cancer

- Adding to the Evidence Base: Cancer Patients' Perspectives on Multidisciplinary Team Working: An Exploratory Focus Group Study, 92
- Adding to the Evidence Base: Measuring the Quality of Life in Men with

Prostate Cancer, 185
 Cancer Patients' Perspectives on Multidisciplinary Team Working: An Exploratory Focus Group Study, 83
 A Case Report and Review of Transitional Cell Carcinoma in Children, 75
 Current and Future Applications of Genetic Prostate Cancer Screening in the Urologic Clinic, 281
 Initial Experience of Intravesical Gemcitabine for Patients with High-Risk Superficial Transitional Cell Carcinoma of the Bladder Following BCG Failure, 95
 Measuring the Quality of Life in Men with Prostate Cancer, 177
 Prostate Cancer as a 'Couple's Disease,' 152
 Systematic Review of Internet Patient Information on Colorectal Cancer Surgery, 100
 Testicular Cancer: Overview and Implications for Health Care Providers, 172

Catheters/Catheterization

Adding to the Evidence Base: The Effect of Collection Method on Urinalysis in Women with Pelvic Organ Prolapse, 131
 Decreasing Suprapubic Tube-Related Injuries: Results of Case Series and Comprehensive Literature Review, 9
 Development and Psychometric Validation of the Intermittent Self-Catheterization Questionnaire, 47
 The Effect of Collection Method on Urinalysis Results in Women with Pelvic Organ Prolapse, 128
 An Evidence-Based Approach to the Prevention of Catheter-Associated Urinary Tract Infections, 238
 Foley Drainage Tubing Configuration Affects Bladder Pressure: A Bench Model Study, 33
 Indwelling Urinary Catheters: Patterns of Use in a Public Tertiary-Level Australian Hospital, 69
 Long-Term Urinary Catheter Users' Self-Care Practices and Problems, 47
 Monolateral Purple Urine Bag Syndrome in a Patient with Bilateral Nephrostomy Tubes, 135

Circumcision

Cost Analysis of Adult Male Circumcision with the PrePex™ Device versus Surgery in Rwanda, 303

Continuing Nursing Education

A Case Report and Review of Transitional Cell Carcinoma in Children, 75
 Contemporary Approach to Diagnosis, Management, and Treatment of Varicocele in the Adolescent, 271
 Current and Future Applications of Genetic Prostate Cancer Screening in the Urologic Clinic, 281
 Decreasing Suprapubic Tube-Related Injuries: Results of Case Series and Comprehensive Literature Review, 9
 Evaluation of the Effect of Cranberry

Juice on Symptoms Associated with a Urinary Tract Infection, 121
 An Evidence-Based Approach to the Prevention of Catheter-Associated Urinary Tract Infections, 238
 Patient Safety Improvement Through In Situ Simulation Interdisciplinary Team Training, 39
 Pelvic Floor Dysfunction and Associated Lower Urinary Tract Symptoms – A Case Study, 219
 Testicular Cancer: Overview and Implications for Health Care Providers, 172

Dermatology/Skin

Conservative Management of Acute Scrotal Edema, 139
 Female Stress Urinary Incontinence: An Evidence-Based, Case Study Approach, 143

Editorial

Choosing Wisely®: Relevance for Urologic Nurses and Associates, 5
 A Few Thoughts: Get Outside, Slow Down, Take a Nap, and Don't Forget to Breathe, 61
 Responding to the Peer Review, 111
 Testosterone Therapy: The New Drug Seekers, 162
 Time to Invest in the Future, 216
 Title IX: Implications for Health Care Providers, 269

Fecal Incontinence

Outcome of Sacral Nerve Stimulation for Fecal Incontinence at Five Years, 203
 Risk Factors for Urinary, Fecal, or Dual Incontinence in the Nurses' Health Study, 47
 Self-Management of Urinary and Fecal Incontinence, 100
 Two Sessions of Behavioral Urotherapy for Bowel and Bladder Dysfunction: Does It Get Any Better?, 312

General Clinical Practice

Conservative Management of Acute Scrotal Edema, 139
 Transitioning to ICD-10, 29
 Urological Implications of Falls in the Elderly: Lower Urinary Tract Symptoms and Alpha-Blocker Medications, 223

Geriatrics

Loneliness and Quality of Life in Chronically Ill Rural Older Adults, 47
 Reasons for Not Seeking Care for Urinary Incontinence in Older Community-Dwelling Women: A Contemporary Review, 63
 Student Nurse Understanding of the Psychosocial Impact of Urinary Incontinence, 318
 Urological Implications of Falls in the Elderly: Lower Urinary Tract Symptoms and Alpha-Blocker Medications, 223

Historical Perspectives

A Historical Perspective on the Male Sexual Case History, 187

International Nursing

Cost Analysis of Adult Male Circumcision with the PrePex™ Device versus Surgery in Rwanda, 303
 Indwelling Urinary Catheters: Patterns of Use in a Public Tertiary-Level Australian Hospital, 69

Kidneys

A Case Report and Review of Transitional Cell Carcinoma in Children, 75
 Conservative Management of Acute Scrotal Edema, 139
 Monolateral Purple Urine Bag Syndrome in a Patient with Bilateral Nephrostomy Tubes, 135

Men's Health

Adding to the Evidence Base: Measuring the Quality of Life in Men with Prostate Cancer, 185
 Conservative Management of Acute Scrotal Edema, 139
 Contemporary Approach to Diagnosis, Management, and Treatment of Varicocele in the Adolescent, 271
 Cost Analysis of Adult Male Circumcision with the PrePex™ Device versus Surgery in Rwanda, 303
 Current and Future Applications of Genetic Prostate Cancer Screening in the Urologic Clinic, 281
 The Effect of Intensive Education on Urinary Incontinence Following Radical Prostatectomy: A Randomized Controlled Trial, 246
 A Historical Perspective on the Male Sexual Case History, 187
 Measuring the Quality of Life in Men with Prostate Cancer, 177
 Pre-Operative Pelvic Floor Muscle Training – A Review, 230
 Prostate Cancer as a 'Couple's Disease,' 152
 Testicular Cancer: Overview and Implications for Health Care Providers, 172
 Testosterone Therapy: The New Drug Seekers, 162

Patient Safety

An Evidence-Based Approach to the Prevention of Catheter-Associated Urinary Tract Infections, 238
 Patient Safety Improvement Through In Situ Simulation Interdisciplinary Team Training, 39
 Urological Implications of Falls in the Elderly: Lower Urinary Tract Symptoms and Alpha-Blocker Medications, 223

Pediatrics

A Case Report and Review of Transitional Cell Carcinoma in Children, 75
 Contemporary Approach to Diagnosis, Management, and Treatment of Varicocele in the Adolescent, 271
 Two Sessions of Behavioral Urotherapy for Bowel and Bladder Dysfunction: Does It Get Any Better?, 312

Pelvic Floor

- Adding to the Evidence Base:
Streamlining Biofeedback for Urge Incontinence, 27
- The Effect of Intensive Education on Urinary Incontinence Following Radical Prostatectomy: A Randomized Controlled Trial, 246
- Pelvic Floor Dysfunction and Associated Lower Urinary Tract Symptoms – A Case Study, 219
- Pelvic Floor Muscle Rehabilitation Using Biofeedback, 193
- Pre-Operative Pelvic Floor Muscle Training – A Review, 230
- Streamlining Biofeedback for Urge Incontinence, 19
- Two Sessions of Behavioral Urotherapy for Bowel and Bladder Dysfunction: Does It Get Any Better?, 312
- Web-Based Treatment for Women with Stress Urinary Incontinence, 252

Pessaries

- Female Stress Urinary Incontinence: An Evidence-Based, Case Study Approach, 143

Prostate

- Adding to the Evidence Base: Measuring the Quality of Life in Men with Prostate Cancer, 185
- Current and Future Applications of Genetic Prostate Cancer Screening in the Urologic Clinic, 281
- The Effect of Intensive Education on Urinary Incontinence Following Radical Prostatectomy: A Randomized Controlled Trial, 246
- Measuring the Quality of Life in Men with Prostate Cancer, 177
- Pre-Operative Pelvic Floor Muscle Training – A Review, 230
- Prostate Cancer as a ‘Couple’s Disease,’ 152

Quality of Life

- Adding to the Evidence Base: Measuring the Quality of Life in Men with Prostate Cancer, 185
- A Comparison of Affected Individual and Support Person Responses on the Impact of Urinary Incontinence on Quality of Life, 291
- Loneliness and Quality of Life in Chronically Ill Rural Older Adults, 47
- Measuring the Quality of Life in Men with Prostate Cancer, 177
- Reasons for Not Seeking Care for Urinary Incontinence in Older Community-Dwelling Women: A Contemporary Review, 63
- Student Nurse Understanding of the Psychosocial Impact of Urinary Incontinence, 318

Quality/Performance Improvement Project

- Indwelling Urinary Catheters: Patterns of Use in a Public Tertiary-Level Australian Hospital, 69
- Patient Safety Improvement Through In Situ Simulation Interdisciplinary Team Training, 39

Research

- Adding to the Evidence Base: Cancer Patients’ Perspectives on Multidisciplinary Team Working: An Exploratory Focus Group Study, 92
- Adding to the Evidence Base: The Effect of Collection Method on Urinalysis in Women with Pelvic Organ Prolapse, 131
- Adding to the Evidence Base: Measuring the Quality of Life in Men with Prostate Cancer, 185
- Adding to the Evidence Base: Streamlining Biofeedback for Urge Incontinence, 27
- Cancer Patients’ Perspectives on Multidisciplinary Team Working: An Exploratory Focus Group Study, 83
- A Case Report and Review of Transitional Cell Carcinoma in Children, 75
- A Comparison of Affected Individual and Support Person Responses on the Impact of Urinary Incontinence on Quality of Life, 291
- Cost Analysis of Adult Male Circumcision with the PrePex™ Device versus Surgery in Rwanda, 303
- The Effect of Collection Method on Urinalysis Results in Women with Pelvic Organ Prolapse, 128
- The Effect of Intensive Education on Urinary Incontinence Following Radical Prostatectomy: A Randomized Controlled Trial, 246
- Evaluation of the Effect of Cranberry Juice on Symptoms Associated with a Urinary Tract Infection, 121
- Foley Drainage Tubing Configuration Affects Bladder Pressure: A Bench Model Study, 33
- Initial Experience of Intravesical Gemcitabine for Patients with High-Risk Superficial Transitional Cell Carcinoma of the Bladder Following BCG Failure, 95
- Measuring the Quality of Life in Men with Prostate Cancer, 177
- Streamlining Biofeedback for Urge Incontinence, 19
- Student Nurse Understanding of the Psychosocial Impact of Urinary Incontinence, 318
- Two Sessions of Behavioral Urotherapy for Bowel and Bladder Dysfunction: Does It Get Any Better?, 312
- Web-Based Treatment for Women with Stress Urinary Incontinence, 252

Scholarly Publishing

- Preparing Quality Improvement, Research, and Evidence-Based Practice Manuscripts, 113
- Responding to the Peer Review, 111

Sexually Transmitted Disease

- Cost Analysis of Adult Male Circumcision with the PrePex™ Device versus Surgery in Rwanda, 303

Simulation

- Patient Safety Improvement Through In Situ Simulation Interdisciplinary Team Training, 39

Systematic Review of the Literature

- Pre-Operative Pelvic Floor Muscle Training – A Review, 230

Translating Evidence into Clinical Practice

- Adding to the Evidence Base: Cancer Patients’ Perspectives on Multidisciplinary Team Working: An Exploratory Focus Group Study, 92
- Adding to the Evidence Base: The Effect of Collection Method on Urinalysis in Women with Pelvic Organ Prolapse, 131
- Adding to the Evidence Base: Measuring the Quality of Life in Men with Prostate Cancer, 185
- Adding to the Evidence Base: Streamlining Biofeedback for Urge Incontinence, 27

Urinary Incontinence/Urgency

- Adding to the Evidence Base: Measuring the Quality of Life in Men with Prostate Cancer, 185
- Adding to the Evidence Base: Streamlining Biofeedback for Urge Incontinence, 27
- A Comparison of Affected Individual and Support Person Responses on the Impact of Urinary Incontinence on Quality of Life, 291
- The Effect of Intensive Education on Urinary Incontinence Following Radical Prostatectomy: A Randomized Controlled Trial, 246
- Evaluation of the Effect of Cranberry Juice on Symptoms Associated with a Urinary Tract Infection, 121
- An Evidence-Based Approach to the Prevention of Catheter-Associated Urinary Tract Infections, 238
- Female Stress Urinary Incontinence: An Evidence-Based, Case Study Approach, 143
- Foley Drainage Tubing Configuration Affects Bladder Pressure: A Bench Model Study, 33
- Indwelling Urinary Catheters: Patterns of Use in a Public Tertiary-Level Australian Hospital, 69
- Measuring the Quality of Life in Men with Prostate Cancer, 177
- Onabotulinum Toxin A: A Therapeutic Option for Refractory Neurogenic Detrusor Overactivity and Idiopathic Overactive Bladder, 165
- Pelvic Floor Muscle Rehabilitation Using Biofeedback, 193
- Pre-Operative Pelvic Floor Muscle Training – A Review, 230
- Reasons for Not Seeking Care for Urinary Incontinence in Older Community-Dwelling Women: A Contemporary Review, 63
- Risk Factors for Urinary, Fecal, or Dual Incontinence in the Nurses’ Health Study, 47
- Self-Management of Urinary and Fecal Incontinence, 100
- Streamlining Biofeedback for Urge Incontinence, 19
- Student Nurse Understanding of the Psychosocial Impact of Urinary

Incontinence, 318
Two Sessions of Behavioral Urotherapy for Bowel and Bladder Dysfunction: Does It Get Any Better?, 312
Urological Implications of Falls in the Elderly: Lower Urinary Tract Symptoms and Alpha-Blocker Medications, 223
Web-Based Treatment for Women with Stress Urinary Incontinence, 252

Urinary Tract

The Effect of Intensive Education on Urinary Incontinence Following Radical Prostatectomy: A Randomized Controlled Trial, 246
Evaluation of the Effect of Cranberry Juice on Symptoms Associated with a Urinary Tract Infection, 121
An Evidence-Based Approach to the Prevention of Catheter-Associated Urinary Tract Infections, 238
Female Stress Urinary Incontinence: An Evidence-Based, Case Study Approach, 143
Foley Drainage Tubing Configuration Affects Bladder Pressure: A Bench

Model Study, 33
Indwelling Urinary Catheters: Patterns of Use in a Public Tertiary-Level Australian Hospital, 69
Monolateral Purple Urine Bag Syndrome in a Patient with Bilateral Nephrostomy Tubes, 135
Pelvic Floor Dysfunction and Associated Lower Urinary Tract Symptoms – A Case Study, 219
Urological Implications of Falls in the Elderly: Lower Urinary Tract Symptoms and Alpha-Blocker Medications, 223
Web-Based Treatment for Women with Stress Urinary Incontinence, 252

Urodynamics

Adding to the Evidence Base: Streamlining Biofeedback for Urge Incontinence, 27
Pelvic Floor Dysfunction and Associated Lower Urinary Tract Symptoms – A Case Study, 219
Streamlining Biofeedback for Urge Incontinence, 19

Women's Health

Adding to the Evidence Base: The Effect of Collection Method on Urinalysis in Women with Pelvic Organ Prolapse, 131
The Effect of Collection Method on Urinalysis Results in Women with Pelvic Organ Prolapse, 128
Female Stress Urinary Incontinence: An Evidence-Based, Case Study Approach, 143
Monolateral Purple Urine Bag Syndrome in a Patient with Bilateral Nephrostomy Tubes, 135
Pelvic Floor Dysfunction and Associated Lower Urinary Tract Symptoms – A Case Study, 219
Pelvic Floor Muscle Rehabilitation Using Biofeedback, 193
Reasons for Not Seeking Care for Urinary Incontinence in Older Community-Dwelling Women: A Contemporary Review, 63
