## Urologic Nursing 2015 Subject Index

### Abstracts

- Association Between Physical Activity and Depressive Symptoms: Midlife Women in SWAN, 144
- Citation Classics in Nursing Journals: The Top 50 Most Frequently Cited Articles from 1956 to 2011, 44
- Comparisons of Procedural Complications between Resident Physicians and Advanced Clinical Providers, 44
- Electronic Personal Health Record Use among Nurses in the Nursing Informatics Community, 257
- Establishment of a New Prostate Cancer Multidisciplinary Clinic: Format and Initial Experience, 143
- Honorary and Ghost Authorship in Nursing Publications, 143
- Patient Engagement with Research: European Population Register Study, 143
- Prevention and Detection of Prostate Cancer, 44
- A Quality Improvement Project for Safe and Effective Patient Positioning During Robot-Assisted Surgery, 257
- Quiet at Night: Implementing a Nightingale Principle, 44
- Research Participation for Bereaved Family Members: Experience and Insights from a Qualitative Study, 257
- Using Data to Strengthen Ambulatory Oncology Nursing Practice, 257

### Advance Directives and End of Life

- Starting the Conversation, 8

### Advanced Clinical Practice

- An Example of Translating Value-Based Purchasing into Value-Based Care, 61

### Biofeedback

- Conservative Treatment of Stress Urinary Incontinence in Women: A 10-Year (2004-2013) Scoping Review of the Literature, 179

### Bladder

- Advances in Female Urology: A Review of the 2013 Literature, 32
- Improving Access to Adjuvant Intravesical Therapy for Non-Muscle Invasive Bladder Cancer in a Community Hospital, 287
- Underlying Mechanisms and Optimal Treatment for Interstitial Cystitis: A Brief Overview, 111
- A Web-Based Self-Management Intervention for Intermittent Catheter Users, 127

### Cancer

- Application to the Evidence Base: Refining a Prostate Cancer Survivor's Toolkit, 30
- Establishment of a New Prostate Cancer Multidisciplinary Clinic: Format and Initial Experience, 143
- Improving Access to Adjuvant Intravesical Therapy for Non-Muscle Invasive Bladder Cancer in a Community Hospital, 287
- Pre-Operative Education Classes Prior to Robotic Prostatectomy Benefit Both Patients and Clinicians, 281
- Prevention and Detection of Prostate Cancer, 44
- Refining a Prostate Cancer Survivor's Toolkit, 22
- Using Data to Strengthen Ambulatory Oncology Nursing Practice, 257

### Catheters/Catheterization

- Application to the Evidence Base: Health Care Utilization and Complications Rates among Users of Hydrophilic-Coated Catheters, 248
- Appraising the Literature on Bathing Practices and Catheter-Associated Urinary Tract Infection Prevention, 11
- The Effect of Implementing a Comprehensive Unit-Based Safety Program on Urinary Catheter Use, 271

- Evaluation of a Nurse-Driven Protocol to Remove Urinary Catheters: Nurses' Perceptions, 94

- Health Care Utilization and Complications Rates among Users of Hydrophilic-Coated Catheters, 239

- A Quality Improvement Project to Educate Nurses on Coudé Catheter Placement, 187

- Risk Factors for Nosocomial Bacteremia Secondary to Urinary Catheter-Associated Bacteriuria: A Systematic Review, 191

- A Web-Based Self-Management Intervention for Intermittent Catheter Users, 127

### Continuing Nursing Education

- Appraising the Literature on Bathing Practices and Catheter-Associated Urinary Tract Infection Prevention, 11
- Competencies for the Nurse Practitioner Working with Adult Urology Patients, 221
- The Effect of Implementing a Comprehensive Unit-Based Safety Program on Urinary Catheter Use, 271
- Pain Management in the Post-Operative Pediatric Urologic Patient, 75
- Peyronie's Disease: Overview and Recent Treatment Advances, 164
- Undescended Testes: A Clinical and Surgical Review, 117

### Cost of Care

- An Example of Translating Value-Based Purchasing into Value-Based Care, 61
- Improving Quality by Taking Aim at Incontinence-Associated Dermatitis in Hospitalized Adults, 292
- The Price of Prior Authorization, 109

### Dermatology/Skin

- Appraising the Literature on Bathing Practices and Catheter-Associated Urinary Tract Infection Prevention, 11

Improving Quality by Taking Aim at Incontinence-Associated Dermatitis in Hospitalized Adults, 292
