We are dedicated to your needs

The Society of Urologic Nurses and Associates (SUNA) understands your needs as a urologic health care professional. We are committed to supporting you as you seek the highest level of practice.

Since 1972, SUNA has been advancing urologic nursing practice and patient care. We are dedicated to providing top-quality education programs and networking opportunities to members.

When you join SUNA, you will tap into the latest practice innovations, connect with your peers, and discover opportunities to advance your career. **SUNA is here to guide you on your path to excellence.**

As a member of SUNA, you will:

Learn and Network

Attend annual and specialty conferences: Explore the latest research and practice advances in urologic health care. Hear from leading experts, network with colleagues, and earn continuing nursing education credit, all at special member-reduced rates.

Enhance your practice

Access publications that raise the bar: You will receive SUNA's official journal, *Urologic Nursing*, and SUNA's official newsletter, *Uro-Gram*. Membership also includes our bi-monthly e-newsletter and discounts on our publications:

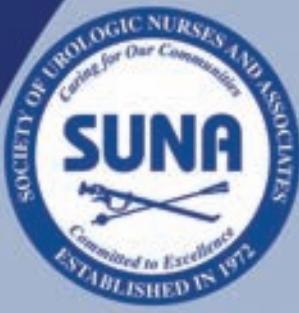

- Advanced Practice Continence Nurse in Long-Term Care: Scope and Standards of Practice
- Scope and Standards of Urologic Nursing Practice
- Scope and Standards of Advanced Urologic Nursing Practice
- A Practical Guide to Performing Urodynamics
- Urologic Certification Review/Overview of Urology
- Cysto Room Survival Manual
- Telephone Nursing Practice in Adult Urology

Make a difference

Grow professionally by volunteering: SUNA offers opportunities to shape the specialty of urologic nursing and connect with peers. Serve at the national level or for your local chapter; join special interest groups, task forces, and committees; participate in forums, workshops, and other special programs.

Additional benefits include:

- Discounts on registrations, certification, and publications
- Scholarships, research grants, and awards
- **Member-focused Web site:** News, events, education, and professional resources
- **Find-a-Member directory:** Connect with members across the nation
- Social networking opportunities
- Online education

SUNA membership is open to nurses, students, technicians, and other urologic health care professionals. Corporations and corporate representatives are also welcome to join.

Our members

Their Specialties

Urologic health care professionals care for patients across the lifespan, providing guidance and treatment for a variety of urologic diseases and concerns.

They work in all health care settings and specialize in such areas as:

- Contenance care
- Male/female sexual dysfunction
- Infertility
- Oncology
- Surgery
- Cystoscopy
- Urodynamics

Preparing for Certification

When you make the decision to become certified, you commit to a higher level of professional practice.

The Certification Board for Urologic Nurses and Associates (CBUNA) is here to guide you each step of the way. CBUNA offers the urologic certification exam for those seeking to become a urologic associate, urologic registered nurse, or urologic advanced practice nurse.

Visit www.cbuna.org to learn more about certification.
